

Support Ohio Dairy Farmers

It's no secret that dairy farmers are concerned about federal dairy policies currently under consideration. To help dairy farmers get the facts, ODPa is hosting the Ohio Dairy Forum on March 31, 2010 at the Shisler Center in Wooster.

All Ohio Dairy Farmers have been invited to...

Learn about **federal dairy policies** being considered and participate in a open discussion.

Form a unified voice on behalf of Ohio's dairy industry through producer and processor interaction.

Hear an update about **Ohio Livestock Care Standards Board** and the next steps for Ohio's dairy industry.

In order to offer this opportunity at no cost to dairy farmers, we ask that you send a minimum of a \$50.00 donation along with your registration to cover the cost of your meal and help offset the cost of the conference.

If you are a sponsor, a donation is not necessary. If you are interested in becoming a sponsor, please contact Jenny Hubble at Jenny.Hubble@odpa.org or call 614.890.1800
